Reliable Tech Solutions: response to AerChain RFQ for technology fulfilment across 13 offices

Oct 10, 2026

Reliable Tech Solutions quotes all 81 line items (2,181 units across 13 cities), commits to delivery within 15 days of contract finalisation, and accepts RFQ terms 7 to 9 with the clarifications listed at the end.

Quotation

Prices are firm for 30 days from submission, in INR, delivered to each office, excluding GST. The same net unit price applies at every site, and the discounts below are volume discounts for a single award of all seven categories.

Category (RFQ lines)	Qty	Offered make / model	List price (INR)	Discount	Net unit price (INR)	Total ex-GST (INR)	Total incl. 18% GST (INR)
MacBook Pro 14.2″, M3 Max, 36GB, 512GB (1–13)	325	Apple MacBook Pro 14″, M3 Max, 36GB, 512GB	3,15,000	6%	2,96,100	9,62,32,500	11,35,54,350
Laptop, Core i3, 13″, 8GB, 256GB (14–26)	650	Dell Latitude 13 (Core i3, 13.3″, 8GB, 256GB SSD)	36,000	8%	33,120	2,15,28,000	2,54,03,040
LG 32″ monitor, 1080p IPS, 120Hz (27–34)	96	LG 32″ FHD IPS 120Hz	22,000	5%	20,900	20,06,400	23,67,552
LG 24″ monitor, 1080p IPS, 60Hz, USB-C hub (35–42)	200	LG 24″ FHD IPS 60Hz with USB-C hub	17,500	7%	16,275	32,55,000	38,40,900
Bluetooth keyboard (43–55)	325	Logitech K380	2,200	10%	1,980	6,43,500	7,59,330

Category (RFQ lines)	Qty	Offered make / model	List price (INR)	Discount	Net unit price (INR)	Total ex-GST (INR)	Total incl. 18% GST (INR)
Bluetooth mouse (56–68)	325	Logitech Pebble M350	1,200	10%	1,080	3,51,000	4,14,180
USB-C docking station (69–81)	260	Dell D6000 USB-C dock (HDMI, DisplayPort, Ethernet, 6 USB ports)	8,500	8%	7,820	20,33,200	23,99,176
Total	**2,181**		13,47,02,000	6.4%		**12,60,49,600**	**14,87,38,528**

Freight, transit insurance, unboxing, asset tagging and hand-over at each office are included in the unit prices. Against list prices of INR 13,47,02,000, the quote saves AerChain INR 86,52,400 (6.4%).

Delivery plan

All 2,181 units reach their offices by day 13, leaving two days of buffer inside the 15-day window. Day 0 is contract finalisation.

Wave	Sites	Units per site	Units	Delivered by
1	Delhi, Mumbai, Pune, Bangalore, Hyderabad, Chennai, Gurgaon, Noida	182	1,456	Day 10
2	Kolkata, Vishakhapatnam, Ahmedabad, Chandigarh, Jaipur	145	725	Day 13

A wave 1 site receives all seven categories; a wave 2 site receives no monitors, as the RFQ specifies.

Day	Milestone
0–2	Purchase order acknowledged; named receiving contact and delivery address confirmed per site
3	Stock and serial-number confirmation sent to AerChain

Day	Milestone
4–10	Dispatch from regional warehouses, wave 1 first; shipment tracking shared daily
8–13	Wave 2 dispatch and delivery
14–15	Buffer for re-delivery of damaged or short items; delivery challans signed

Each delivery includes a challan and serial-number list per site, so receipt can be confirmed unit by unit.

Dispatch plan and tracking

Stock is held in our Delhi, Mumbai, Chennai and Kolkata warehouses, and each office is served from the nearest one, so no shipment travels more than two days by road.

Warehouse	Offices served	Units
Delhi	Delhi, Noida, Gurgaon, Chandigarh, Jaipur	836
Mumbai	Mumbai, Pune, Ahmedabad	509
Chennai	Chennai, Bangalore, Hyderabad, Vishakhapatnam	691
Kolkata	Kolkata	145

Office	Wave	Ships from	Units	Dispatch day	Delivered by	Tracking link (live from dispatch)
Delhi	1	Delhi	182	4	Day 5	Track Delhi
Noida	1	Delhi	182	4	Day 6	Track Noida
Gurgaon	1	Delhi	182	4	Day 6	Track Gurgaon
Mumbai	1	Mumbai	182	4	Day 6	Track Mumbai
Pune	1	Mumbai	182	5	Day 7	Track Pune
Chennai	1	Chennai	182	4	Day 6	Track Chennai
Bangalore	1	Chennai	182	5	Day 8	Track Bangalore
Hyderabad	1	Chennai	182	5	Day 9	Track Hyderabad
Kolkata	2	Kolkata	145	8	Day 9	Track Kolkata
Chandigarh	2	Delhi	145	8	Day 10	Track Chandigarh
Jaipur	2	Delhi	145	8	Day 11	Track Jaipur

Office	Wave	Ships from	Units	Dispatch day	Delivered by	Tracking link (live from dispatch)
Ahmedabad	2	Mumbai	145	9	Day 11	Track Ahmedabad
Vishakhapatnam	2	Chennai	145	9	Day 12	Track Vishakhapatnam

How tracking works:

1. Within 2 hours of each dispatch, the named receiving contact at the office gets an email and SMS with the tracking link, carrier, vehicle or consignment number, and expected arrival.
2. The link shows live location and status until delivery, then switches to the signed challan and unit serial numbers.
3. If an expected arrival slips by more than 24 hours, the account manager is alerted and AerChain receives a revised date the same day.
4. Each warehouse keeps 3% spare units of every category at no extra charge, so a damaged or short unit is replaced from local stock without waiting for a new order.

Responses to the RFQ questions

We confirm questions 1 to 4 and 7 to 9, and answer 5 and 6 below.

#	RFQ question	Our response
1	Delivery within 15 days, with site-wise timelines	Confirmed. Wave 1 sites by day 10, wave 2 by day 13 (see Delivery plan).
2	Payment within 30 days of receipt of final items; invoices cleared on the 1st	Confirmed. We invoice once the final item is received and accept payment on the first 1st-of-month falling on or after day 30.
3	Laptops: warranty of at least 2 years	Confirmed. MacBook Pro units carry the Apple 1-year warranty plus a 1-year extension; i3 laptops carry a 2-year manufacturer warranty. Both are included in the quoted price.
4	Monitors: warranty of at least 1 year	Confirmed. LG manufacturer warranty of at least 1 year on all 296 monitors.
5	Unit pricing and taxes per item	See Quotation: one unit price per category, GST shown separately, same price at every site.

#	RFQ question	Our response
6	After-sales support and escalation	See Warranty and support below.
7	One-time 2% penalty on final payment for any delivery delay	Accepted, as the single penalty for delay, with the clarification in point 3 below.
8	Delay beyond 60 days forfeits the contract	Accepted, with the force majeure and AerChain-caused delay exceptions in point 4 below.
9	Partial delivery: paid automatically less 2%, no further delivery accepted	Accepted, with the clarification in point 5 below.

Warranty and support

One ticket line covers all 13 offices; a dead-on-arrival unit is replaced within 5 business days of the report.

Item	Warranty	Service model
MacBook Pro	2 years	Apple authorised service; we raise and track the case
i3 laptop	2 years	Manufacturer service with on-site or pick-up repair
LG monitors	At least 1 year	Manufacturer service; swap-out of a failed unit while repair is pending
Keyboard, mouse, dock	Manufacturer warranty	Replacement through us, no claim handling by AerChain

Level	Contact	Responds within
1	Support desk: 1800 123 4567 (toll-free), support@reliabletech.example, portal.reliabletech.example	4 business hours
2	City service lead for the affected office	1 business day
3	Account manager: Rohan Mehta, +91 98100 04512	2 business days
4	Director: Anita Rao, anita.rao@reliabletech.example	3 business days

An unresolved ticket moves up a level automatically at the end of each response window, and AerChain receives a monthly report of open and closed tickets by office.

Assumptions and clarifications

These keep the terms workable for both sides; none changes our price or delivery commitment.

1. **Specifications.** We quote exactly as listed. The M3 Max MacBook Pro is a previous-generation model, so we have confirmed stock for 325 units; a newer equivalent can be offered as a priced alternative if AerChain prefers it.
2. **Taxes.** GST at the prevailing rate is charged on each invoice, with GSTIN and e-invoice details for every delivery state.
3. **Penalty (question 7).** The 2% applies once, to the value of the items delivered late, not to the whole contract and not per day or per site.
4. **Forfeiture (question 8).** The 60-day limit is extended by any period of delay caused by AerChain (site not ready, receiver unavailable, change in quantities) or by events outside our control.
5. **Partial delivery (question 9).** Payment for fulfilled items is made on the terms in question 2, with the 2% deducted from that payment only.
6. **Delivery acceptance.** Items not reported damaged or short within 3 business days of the signed challan are treated as accepted.
7. **Contract date.** We read "contract finalisation" as the date AerChain issues the purchase order, and day 0 of every timeline above runs from that date.
